

HIV Preceptorship 2024
2nd edition
Bucharest, Romania, 18-19 April 2024

Society for Infectious Diseases and HIV/AIDS
European HIV/AIDS and Infectious Diseases Academy
National Institute for Infectious Diseases "Prof. Dr. Matei Bals", Romania
Carol Davila University of Medicine and Pharmacy, Bucharest, Romania
ESCMID Study Group for Viral Hepatitis (ESGVH)

Course objectives:

- To educate early-career healthcare practitioners on people-centered HIV care to ensure long term treatment success
- To explore the patient's journey for lifelong good health from diagnosis, linkage to care, treatment, retention in care and health-related quality of life
- To review novel developments and recent updates in HIV management

Participant profile:

- Early-career MD with experience in treating HIV infection of approx. 3-5 years
- Currently working in the field of HIV
- With a strong interest in improving HIV care.

Course outline:

Sessions will be case-based, starting from an illustrative case and then presenting the evidence base and new developments in the field.

Accreditation:

The HIV preceptorship 2024, Bucharest, Romania 18/04/2024 - 19/04/2024, has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 10.5 European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Unrestricted educational sponsorship:

This is a collaborative medical education activity by the Society for Infectious Diseases and HIV/AIDS and Gilead Sciences Romania.

Course location:

Novotel Bucharest City Center Hotel (Bucharest, Romania).

Confirmed course faculty:

Agata Skrzat-Klapaczynska, Hospital for Infectious Diseases, Medical University of Warsaw, Warsaw, Poland

Casper Rokx, Erasmus University Medical Centre, Rotterdam, Netherlands

Juan Ambrosioni, HIV Unit and Infectious Diseases Service, Hospital Clinic-IDIBAPS, Barcelona, Spain

Jose Bernardino, JB HIV Unit, Hospital Universitario La Paz, IdiPAZ, Madrid, Spain.

Marta Vasylyev, Erasmus University Medical Centre, Rotterdam, Netherlands and Astar Medical Center, Lviv, Ukraine

Tristan Barber, Ian Charleson Day Centre, Royal Free Hospital, London, UK.

Oana Săndulescu, Carol Davila University of Medicine and Pharmacy, Bucharest, and National Institute for Infectious Diseases "Prof. Dr. Matei Bals", Romania

Anca Streinu-Cercel, Carol Davila University of Medicine and Pharmacy, Bucharest, and National Institute for Infectious Diseases "Prof. Dr. Matei Bals", Romania

Cristiana Oprea, Carol Davila University of Medicine and Pharmacy, Bucharest, and Clinical Hospital "Dr. Victor Babes", Romania

Valeriu Gheorghiuță, Carol Davila University of Medicine and Pharmacy, Bucharest, and Clinical Emergency Hospital Dr. Agrippa Ionescu, Bucharest, Romania

Adrian Streinu-Cercel, Carol Davila University of Medicine and Pharmacy, Bucharest, and National Institute for Infectious Diseases "Prof. Dr. Matei Bals", Romania

Mariana Mărdărescu, National Institute for Infectious Diseases "Prof. Dr. Matei Bals", Romania

Dan Oțelea, National Institute for Infectious Diseases "Prof. Dr. Matei Bals", Romania

Simona Paraschiv, Carol Davila University of Medicine and Pharmacy, Bucharest, and National Institute for Infectious Diseases "Prof. Dr. Matei Bals", Romania

Liliana Preoțescu, Carol Davila University of Medicine and Pharmacy, Bucharest, and National Institute for Infectious Diseases "Prof. Dr. Matei Bals", Romania

Raluca Pătrașcu, Carol Davila University of Medicine and Pharmacy, Bucharest, and National Institute for Infectious Diseases "Prof. Dr. Matei Bals", Romania

Ramona Ștefania Popescu, Carol Davila University of Medicine and Pharmacy, Bucharest, and National Institute for Infectious Diseases "Prof. Dr. Matei Bals", Romania

Day 1 – Thursday 18 April 2024

Time	Session title and chairs
11.00-12.00	Arrival, registration and welcome coffee
